“ As I was searching for another obituary, I saw Agnes's. It flooded me with wonderful memories of a dear friend and fellow singer (Citadel Chimes Chorus) many years ago. Always enjoyed driving her to our practices, the jokes and laughter and wise advice too! Sincere condolences to her family though I am late in submitting.

“ My Aunt! Wow, I can't believe that she is gone from us right now. She was like another mother to me, and I loved her so very much! We shared so much, and she was a force to be sure! Rest in peace my beautiful lady, aunt, friend and other mother. I love you! You were one of a kind. I loved our long chats on the phone. I just am still in shock that you have left us so early.. Love you so much!

Agnes was a good friend although I didn't get to see her very often. We went to see Jan Arden with another friend from Scotiabank. Her son Joe ordered a limo for us,it was my first time in one.I thought that was so thoughtful.Qw had fun that night.

So sorry to hear of Agnes passing. A few of us retirees from Scotiabank had lunch with her last month. Agnes was a joy to be around and always had stories to tell and loved to take pictures of our lunch dates.

She will be greatly missed.
