

Alan Bruce Baker

May 15, 1963 - May 29, 2023

It is with sad hearts that we announce the passing of Alan. He passed away peacefully at home at the age of 60. He was the son of the late Nancy Baker and Keith Baker. He is survived by his loving partner Jackie Loyst and his brother Robert Baker. Al was a kind and loving man who wore his heart on his sleeve and would give you the shirt off his back. Growing up Al had a great love for hockey to which he played the position of goalie. In some ways you could say he was a goalie in life as he looked out and protected those he loved. In his later years he became a real homebody who loved to play darts, spend time with his fur babies and watch movies. Al spent most of his working years in the office furniture / installation business working for Atlantic Business Interiors and Office Interiors before starting his own business. Many people knew him as the president of A J's Office Installations to which he was partners with Jamie Oakley. He will forever be in our hearts. Donations may be made to the Heart and Stroke Foundation.
