

Alfred Stanley Pottie

January 21, 2026

Alfred Stanley Pottie of L'Ardoise, N.S., passed away peacefully in his sleep on January 21, 2026, in Halifax, N.S. Stanley was born February 28, 1959, in L'Ardoise, N.S., to Charlie and Mary Pottie. He worked for Clearwater for a few years before ankylosing spondylitis and Crohn's disease began to take a toll on his health. No matter the pain or suffering, you would never find a more positive man. He would never dwell on or sweat the small stuff, and he always leaned into his humorous side. Stanley's proudest days and moments were those filled with his children, grandchildren, and family. He was an avid bicyclist and spoke highly of his love for cycling outdoors along the beaches of Cape Breton Island. He was filled with love and respect for his brothers, who meant a great deal to him, and he loved watching football with his best friends, Bobby and Neil. He was preceded in death by his parents, Charlie and Mary Pottie. Stanley is survived by his son, Robert; daughter, Angelina (Chad); brothers, Arthur (Elaine), Eugene, Vincent (Cassie), and Jerry (Cheryl); and grandchildren, Aiden and Isaac. A celebration of life will be held later in the spring in L'Ardoise. All family and friends will be invited to attend; the date and time will be announced soon.

“ I was truly saddened to hear of Stanley’s passing. I knew him since I started school and he was always kind and friendly. He had lovely children and he was proud of them. He was in L’Ardoise a few years back and I had the opportunity to chat with him. He had a tough time with his health but passed the off with humour. Sending thoughts and prayers to each of you during this time of loss. I am very sorry for your loss. God Bless

*Every time I see you, Stanley, you were on your bicycle.
That was your means of transportation, you visited your aunt Beth
Pottie Wincy, frequently.
At Bobby's celebration of life, there was so many brothers and their
cousins, it was difficult for me to distinguish who is Charlee's boys and
who was Leo's boys.
I am happy. I had the opportunity to visit with you.
Rest in peace, Stanley. 🕊️❤️*
