“ Joanne on behalf of myself and Elaine please accept our condolences on the passing of Al. I know he and I had lost touch over the years and it was probably 3 or 4 years ago that we last talked and agreed to meet for coffee but unfortunately that never happened. I remember all the great times we had at Sears and those Thursday nights playing pool at the Police club. I was honored to have him as my best man at our wedding and truly appreciated his friendship. I know you and the kids will take solace in all the great memories you have.

“ Our condolences to Aunt Joanne and the rest of the Singer family. I remember staying with Allan and Joanne during some summers when I was a kid. Allan used to say that if I threw the joker from a deck of cards out the window it would rain nickels and dimes and it always did. I'll never figure out how Allan did it (wink wink). Thanks for the memories and our love to you all during this difficult time. Love Jeff, Mati and family.
