“ *I was saddened to hear of Barry's passing. He and I meet at Burroughs Business Machines in the mid 70's. First as a co-worker and then as my District Sales Manager. He was great at both. We had more than a few memorable sales calls and road trips together. He was unflappable and a fantastic role model. Deepest condolences.*

“ Barry was a larger than life presence and someone I am glad to have had in my life. He and Deb helped us transition ownership of their business to us and we were always appreciative of the help given over the years. Our dogs loved "Uncle Barry". He was a fantastic friend who always made us laugh with a great story.
