“ One night many years ago, I got a phone call from Barry. He wanted to know if I could work with him doing a Sobeys store in Moncton that night. I said ok. We worked quite late putting up signs that Barry attached to overhead pipes using a scissor lift. He wasted no time. I was just an extra pair of hands helping level the signs. He said he needed someone in NB to do these Sobeys stores. Since it was evenings and weekends I passed on the idea. I always enjoyed talking with him at quick builds. I knew his mom and dad and sister Karen from when I lived in Truro. Great brother. I'm looking forward to seeing him in the future. Sincere condolences to the family. Your friend and brother Ken Sawatzky.
