“ I go back to the very late 1960s with both Carol and Joe ... knew their children as well. Worked with Joe at St Pat's High for many years. He was a very good Registrar and VP there too; I too played golf with Carol at Oakfield, Joe as well. Always appreciated her direct conversation, especially when I visited their home. Although I saw little of her in recent years, I always appreciated our freindship. Please accept my condolences for the loss of Carol ... she will be greatly missed by Joe, Dean and the grandchildren.
