“ To Carolyn's Family,

We are so sorry to hear of Carolyn's passing. You knew hunting season was approaching when the truck and trailer went by the farm, to its spot at the Pineo field. Enjoyed dropping in for visits. One time there was a whole tote full of home baking pulled out, "she wasn't baking when it was hunting season". Fond memories of her and John. Our sincere condolences to you all.

Thinking of you,

Blois and Debbie Barron
