

Cheryl Elaine Strowbridge

January 25, 1949 - November 27, 2023

It is with a heavy heart that we announce the passing of our beloved mother, grandmother, and great-grandmother, Cheryl Elaine (Pierce) Strowbridge. She left us on November 27th, 2023 at the Saint Vincent Nursing Home in Halifax, NS. Cheryl was the daughter of the late Laurie Pierce of Sandy Point, NS and Annie (Rockwood) Pierce of Heart's Content, NL.

Born on January 25th, 1949, Cheryl grew up in Sandy Point, NS, and led a life full of warmth and compassion. She was a devoted daughter, mother, and grandmother and great grandmother touching the lives of all who were fortunate enough to know her.

A woman of faith, Cheryl's spirituality guided her through life's challenges and inspired those around her. She faced adversity with grace and resilience, teaching us the importance of perseverance no matter how large the challenges we faced in life.

She is survived by her lifelong partner, Paul Dunphy; her daughters: Suzanne Strowbridge, Shelley Croft and Trina Lyonnais; grandchildren Mary-Margaret Bennett, Cameron Bennett, Sherina Strowbridge, Olivia Strowbridge, Gordon Croft, Taylor Lyonnais, Ashley Lyonnais; and great-grandchildren: Kaylina, Adalyn, Lashya, Addison, Araya, Noah and Jayme.

May Cheryl rest in peace, surrounded by the love she so freely gave during her time with us.

There will be a celebration of life in her hometown Sandy Point NS at a future date where she will be laid to rest with her mother and father.

Any donations can be made to Diabetes Canada or Canadian Red Cross in memory of Cheryl Strowbridge

“ Happy Mothers Day to heaven to our dear sweet Mother! It's going to be a hard day tomorrow for us all ! I want to Thankyou for all your love , listening and teaching you gave me ,it made me stronger. You were always doing your best and that's what kept you with us as long as you could .That had given me a strong understanding of life without hiding the truth. You were strong inside and faced more than I understood from the loss of your own mother at 18 .You gave me two wonderful sisters and I'm thankful everyday for them . It couldn't have been much fun not having any kin . It only shows me how strong you really were .
I never want to say goodbye and I feel you with me and your love all around me . I want to wish you a Happy Mothers Day and I know your with your Mother now and how happy you are ! Until we meet again ! Lots of love and hugs to heaven !

“ My story doesn't start without you.

I want you to remember how much you meant to me. if it wasn't for you I wouldn't have the great sense of humour that I have now. All the time I was loud and would annoy you, you always would say oh sherina don't embarrass me. I always tired to because I know you loved my jokes and enjoyed me being myself. I was always your favourite but you don't have to tell anyone.

*Nanny I will forgive you for not making it to 93
Fly high and enjoy eating your favourite sweets with your mother,
father and god*

Love you more than you love me and I know that is impossible but I do!!!

“ I have so many warm memories of the times we shared together. Going to the movies, out to dinner, on walks in nature... you led a hard life, but you always made room to love me with all your heart. A day doesn't go by when I am not thinking about you.

You will be greatly missed but never ever forgotten.

“ Thankyou Mom for being here for as long as you could, you will always be with me forever in my heart and mind.I will always love you and think of you , you were involved in every aspect of our lives.Mom you spent memorable times with us , especially for all the special occasions and some important times, that will always keep you in my heart. We grew old together almost like sisters do and every chance you would tell people that I was your sister and laugh . Nobody will know our life together and how truly special that bond is but you knew and that’s what mattered to me. We never had much in life and we never needed it . With aso much love of our family and the God Lord who heard our prayers we got through those obstacles together.

I need to let you rest now and it’s okay to go with God to your final resting place with all the people that you missed and missed you. I know it’s hard for you not to worry about us all because that was your job but you made us strong and we have kept that with us . Please rest now and let us take the reins from here and God will look after the rest. Until we meet again in Heaven please know you’ll never be forgotten not even for a moment ! So much love to our dear mother / grandmother/ great grandmother . So many blessings , hugs and kisses sent to heaven.

Sue
