

Claire Marchildon

April 19, 2023

Claire Marchildon

Claire's loss is being grieved by her family. Mom Angela & Kevin, brother Hunter, father Calvin along with Sue & Akeira in BC, Uncle Scott & Sarah, cousins Norman & Otto, Great Aunt Donna & family, Grandparents, Dennis & Marion Penton along with Marion's siblings, Joanie, Bobby, Stephen, Cathy, Trish, Carolyn & their families.

Claire was an accomplished musician on bass & lead guitars & the French Horn with Halifax Reginal Center for Education (HRCE) bands thru Junior & High school years. And her playing in the background at home on piano & guitar was the best entertainment. Her music notes on those instruments will linger long with us.

Claire was masterful at food creations – those special talents & family meals will be remembered forever.

Jujitsu & High School Competitive Wrestling were also parts of Claire's interests as she developed in the world.

Claire was graduating High School this spring with plans set for a trip with Hunter to New York as part of their "see the world" ambitions.

A loss at only age 17 is Tragic. We were just at the beginning of her unfolding to the world. She'll be missed, loved & held in special memory forever.

Anyone wishing to contribute in Claire's memory can direct Donations to dennis@ns.sympatico.ca for Claire or directly to Marion. Angela will ensure that Claire's favorite school programs receive the benefits.

A Celebration of Life announcement will be made at a later date.
