“ It is with deep sympathy we say goodbye to our long time neighbor and friend. Craig has been here in this neighborhood for so long, his leaving us will definitely leave a deeply felt void for myself and Vaughn and for others who knew him. Rest in peace dear friend. And may the God of all Comfort, comfort those who were near and dear to him.

“ This is how I'll always remember Craig. ❤️ making the best of situation with humour!

He was such a great neighbour to have - if you had the chance you were lucky. Always quick to share a beer and a story while repairing your deck kinda guy. We are sending our condolences to his family.
