

Daniel Patrick Campbell (Danny)

February 9, 1963

It is with great sadness we announce the death of Daniel Patrick Campbell (Danny). Son of Donald Campbell and the late Catherine Campbell of Terence Bay, formerly Kearney Lake Rd. Danny was predeceased by brother Blair. Danny is survived by his Soulmate and best friend Tanya Beaton, daughter Crystal and son Kyle. He was most proud of being Grandad to Silas & Maverick. They truly were the sparkle in his eye! Danny loved the outdoors and never happier than hitting the trails on his ATV, fishing trips with best bud Dave or enjoying time at the campground. He loved to tinker and always had numerous projects on the go at the same time. A special mention to the friends that became family he had a special place in his heart for Leita Petrie, Mike & Connie Hubley his chosen brother & sisters. There will be no funeral held and cremation taking place.

He was my cousin and unfortunately I didn't spend much time with him. He will be missed for sure.
