

## Daniel Fred HORNE

September 6, 2022

Age 64, passed away suddenly but peacefully on September 6, 2022. Born in Halifax he was the youngest in the family of the late Roy Patrick and Estelle "Bunny" Horne.

He will be sadly missed by his sister, Joan, Halifax and brothers, Bernard, Maine and Kenneth, Dartmouth and many nieces and nephews. Predeceased by sisters, Wendy (Levitt) (Halifax) and Shirley (Webber) (Dartmouth).

Danny lived in Halifax his whole life. He attended Oxford and St Patrick's High Schools. He graduated from Vocational School as an Automobile Mechanic. He worked at Metro Housing for many years, W.A. Moir and lastly as an apartment Superintendent. He was an exceptionally funny guy and was always jovial and mischievous by nature. In his youth he enjoyed a good party! He was a lover of good music, documentaries, darts, pool, snooker at the Red Fox and he had many long-time friendships.

Danny was loved by all who met him and a joy to be with if you were lucky enough to have known him.

There will be no visitation or service. There will be a gathering for friends and family at a later date.

“ So sad to hear of Danny’s passing. I knew him for many years through the Oxford connection and was fortunate to see him again when my husband met him at Perks Coffee shop years later. He was one of a kind, he will be missed. RIP my friend.

“ So sad to read and learn of Dannys' passing. Me and my sister Colleen hung around Danny and mutual friends in our teenage years. We went to school together at Oxford. He was kind and had a distinct laugh, not a mean bone in his body, a class clown. My thoughts and prayers are with Dannys' family who I never had the privelage to meet. Chebucto Road area was the spot for many of us in our teenage years. We had so much fun...Countless good memories for me. It's difficult when I learn of another good friend and classmate passing away ...way too soon. Thoughts and lots of prayers to the family and friends affected by this sad news. God Bless you Danny. So sad to hear of Danny's passing back in September. I only just found out this evening. I worked with Danny at W & A amour back in the 70's and early 80's. We played cards at lunchtime. He was a really good friend. Thought about him often through the years. My condolences to his family.

“ Danny was a little guy standing in a crib when I first met him. Then over the years I really enjoyed running into him in various places--seeing his smiling face. I always thought of Danny when I was approaching the Halifax ferry terminal. I can still picture him sitting outside Tim's having a coffee--on a work break or just relaxing--and greeting people he knew who passed by, myself included. I will think of you today, Danny, when I go by your old spot...these memories don't end.

All my Best to Joan, Bernard and Ken; family and friends.
