

## Darlene Gail Mead

February 10, 2023

Darlene Gail Mead passed away peacefully on her 79th birthday, Friday, February 10th, 2023. Darlene was the only daughter of the late Percy and Evelyn (Silver) Hartling. She is survived by her daughter, Sherrie, son-in-law, Randy and two grandsons, Ben and Henry. Darlene's request that there would be no service, and being a woman of few words, she simply wanted her obituary to state, "Darlene Mead- she died." She had fond memories of growing up on the farm, surrounded by her family and grandparents, aunts, uncles and cousins. She was so happy to keep in touch regularly with her cousins, Ron and Danielle in British Columbia. She had an awesome group of lifelong friends- Mary, Maureen, Carol and Carolyn. Rest in peace Mom.
