

Donald Peter Campagna

June 30, 1940 - March 6, 2026

Donald Peter Campagna [1940 - 2026], only son of the late Nellie Marguerite [Parker] and the late Donald Joseph Campagna, passed away peacefully at the Palliative Care Unit, QEII, Victoria Building, on March 6, 2026.

“Donnie” is survived by his loving spouse and soul mate, Jean Scott; sons, Paul [Kathy]; Peter [Anne]; step daughters Germain Miller [Brooks], Charlene Raymond [Tony]; half-brother Wayne [Louise]; and half-sisters; Sharon Croft [Clary], Darlene Crouch [David], and Marie Corbett [Robert]; and grandchildren: Chris [Katherine], Dan [Kristen], Katelyn Parks [Steve], Patricia Hill [Jarrott], step-grandchildren, Keenan Fougere [Kelly], Makayla Merry [Nick]; and loving great-grandchildren and nieces and nephews.

He was predeceased by his son, Andrew [Pamela] and his step-mother Marjorie Campagna.

Donnie was born in Halifax and worked for most of his life on the Halifax docks: in the early days as a member of the Halifax Longshoremen’s Association, and he retired as a Ro-Ro operator with The Halifax Container Terminals at the South End and Fairview Cove.

He worked hard all his life to provide for his family. Music played an important part in his life and, if he had chosen a path in music, he most likely could have been a successful Country and Western singer. His repertoire of the “Oldies” made him many fans who loved to have him “sit in” at regular music sessions at The Canadian Legion 27, Chief and PO’s Mess for the Kitchen Parties, and jam sessions at Riverland Campground and RV Park.

His constitution was strong and he survived several major health issues but, with the help of his “Guardian Angel”, Jean, he remained vibrant and could still play a few licks on his guitar almost to the end. Special mention must be given to his remarkable care assistants, the wonderful Janine and Danita and Harprett, and the palliative care team at the VG. Cremation has taken place. At Donnie’s request, there will be no service. Please visit www.harboursidecremation.ca.
