Date Of Birth: March 28, 1951

Date Of Passing: March 20, 2024

:It is with great sadness we say, "bye for now" to Don (Wilson) Christie after a long and valent fight with a cancer and health issues. He was predeceased by his beloved wife Carolyn. Don will be sadly missed by his children Shelly and Ange (Don). Two sisters, Robbie and Sandy (Dan) Bourque Four grandkids, Santasia, James, Drake, Henry and two great grandchildren. His best friend and brother Kevin (Heather) McDonald and so many extended family members.

Don was a navy veteran who grew up all over but landed in Oromocto NB. We know there are still people who are talking about the frog epidemic. Just sayin! He moved to Truro where he met and married the love of his life Carolyn and raised his two daughters. There are so many memories he has left us with. Dons love of family and adventure will live on in all of us. He was always willing to share his wisdom and humour. He will be sadly missed.

The family has asked for privacy at this difficult time. A celebration of life will be held at a later date. All donations should be made to either kidney research or mental health suicide awareness prevention.
