“ I Love You & Miss you Nanny. Not gonna be the same around here anymore without you & your chipper voice. I'm gonna miss hearing you say “Hi Sweetheart” whenever I talked to you. I loved hearing you tell me stories of how excited I was to see you when I was little. That never went away Nanny. I was always happy to see you & talk to you. & I will forever miss your sarcasm & happy voice. You were the best Grandmother anyone could ever be lucky to have.
