

## Donna Ann Coolen

September 17, 1947 - April 20, 2022

Donna Ann Coolen Age 74, Dartmouth It is with heartfelt sadness that we announce the passing of our loving Mother, Grand Mother, and Great Grand Mother Donna on April 20, 2022, at the QEII Hospital VG site surrounded by family and dear friends. Donna was a loving Mother, Grandmother, Great Grandmother and loving wife to Dennis who passed in May of 2020. Donna is survived by her children Ken, Samantha, and Dennis (Vanessa); as well as two grandchildren, Christopher and Cody and her great-grandson Isaiah. Donna is also survived by her niece Heidi and nephew Kaven. Donna was predeceased by her late husband Dennis, her sister Dolly (Russ) Varner, brother Al (Pam) Carpenter and parents Helen and George Carpenter. Donna had no greater joy than that of being surrounded by her family; especially her Grandsons, Chris and Cody, and Great Grandson Isaiah who could light up her world with his smile. Donna enjoyed time on her front porch with neighbours, visits with her family and the occasional shopping trip and daily chats with daughter and best friend Samantha. Prior to her retirement, Donna worked many years Moirs Chocolate and for Capital Store / Atlantic Superstore where many friends were made over the years. Donna was the heart of her family and will be tremendously missed. We would like to thank the staff of 5B Centennial for their care and support over the last few weeks. A celebration of life will be held for both Donna and Dennis at a future date.
