

Doris Maxine Wall

May 18, 2022

It is with great sadness that on May 18, 2022, the family of Doris Maxine Wall (nee Caudle) said goodbye to their beloved mother, age 93. She peacefully passed away in Melville Gardens, Halifax, N.S. Mom waited until all 6 children had one last opportunity to visit her that day, before departing to spend eternity with her Heavenly Father.

Mom was born in Truro, N.S. to the late Roy and Myrtle Caudle. She was predeceased by our father, Joseph Andrew Wall and brothers Cecil and Eddie. She is survived by her six children, Kathy Tanner (Mark); Nancy Field (Dennis); Patricia McCallum (Peter); Michael (Carol); David (Greta) and Kevin (Greg), 13 grandchildren, 9 great grandchildren, and many nieces, nephews, and cousins.

She dedicated her life to caring for her children and our home that was always filled with the wonderful aroma of her home cooking. She loved her family, treasured family gatherings, and always found something to laugh and smile about. Mom enjoyed making crafts and participating in the seniors' gatherings at St. Stephen's Church.

Our deepest appreciation to the staff of Melville Gardens and the QE2 unit 7.4 for taking such wonderful care of our Mother. It was heart warming to see how quickly she developed friendships with the other residents and staff at Melville Gardens.

A funeral Mass will take place at St. Mother Teresa of Calcutta Parish, 6032 Normandy Drive, Halifax on Saturday, May 28, 2022 at 11 a.m.

Mom will be dearly missed and will remain forever in our hearts.
In lieu of flowers donations of choice.

“ *To my cousins the Walls.*

It was always a great joy to see you for what ever reasons. During any of the past encounters with any of you each time it was an instant door opening to the heart with great joy. The gentle softness of love and Holy Spirit was felt in each of you that I knew it originated from the Love your mom and dad instilled in each of you. I am saddened but at the same time in joy for aunt Doris passing. For she is now with her loved ones of the past and knowing she has given us the true meaning of love that will never leave us. For that reason she is still with use.

*With Love to all of you from your rough around the edges Cousin

“ *David, Kevin, Michael, Patricia, Nancy, Kathy and families,*

My heart goes out to all of you.

You are never ever really ready to say good bye to your mom. Your mom was amazing! I have memories of fun times at baby and wedding showers and, in more recent years, having dinner at David's with your mom.

My dad also very much enjoyed spending time with Aunt Doris. I think back fondly of your family departing our extended family gatherings in the van (it always reminded me a bit of the Partridge family as you drove away). I thought it was very cool and wanted to tag along. It looked like a great adventure.

Although this marks the end of an era, your mom lives on in all of you, your children, and grandchildren. She lived a long and full life and I am pretty sure that a big role played in her longevity was because of her beautiful family.

As you gather together, please know that I am thinking of all of you at this time.

Sending you lots of love, hugs, and prayers.

“ Dear Patricia, Kathy, Nancy, Michael, Kevin and David (families),
I have a childhood of good memories of your Mom. My favourite memory was the time she was making homemade yogurt and let me try it. It was different, tangy and sour at the same time....life changing moment for me as it became one of my favourite foods.
She was a lovely lady who loved all of you dearly. Always remember she will always be with you.
My deepest sympathy,

“ My most heartfelt condolences to all of Mrs. Wall's family.

When I became friends with David & Kevin at Mount Saint Vincent University(1988 & onward), there were several occasions when I was at her home. I remember Mrs. Wall as being a very kind & gracious lady who made me feel welcome each time I was there. I believe I may even have had a taste of a curry dish on one of those visits. Years later, in 2008, I had opportunity to be in her home again & I was delighted that she remembered me. Just as gracious as she had been so long ago.

May she rest in peace.

“ Having spent a lot of time at the Wall family home growing up I'll never forget your mom. Her African Violets and chocolate chip cookies are among my fondest memories of her along with her strength and sense of humour. I'm thinking of you all.
