

Dorothy Grantmyre

July 14, 2025

Dorothy Grantmyre passed away gracefully at the age of 94 with her children by her side. Dorothy grew up in Fairview during the War years surrounded by a close family. She was a community activist, and the first graduate of the Master of Social Work program at the University of King's College. She was passionate about her family, supporting mothers and children, social justice, politics, and economics throughout her life. Dorothy also loved being outdoors and enjoying nature. She spent happy summers at her Camp on the ocean in Boutilier's Point, and this became a focal point for family and friends who were often shamed into enduring chilly ocean swims with Dorothy. Her enthusiasm, generosity, and cheerful disposition were well known.

Dorothy was predeceased by her husband, Dr. Edward Grantmyre, and her parents, Robert and Clara Gray. She will be missed by her children, John (Cathy), Ann (Darrell Taylor), and Jane (Jim Frost), and her adored grandchildren, Hilary (Hayden), Christian, Ben, Jill, and David.

Thank you to Dr. Maria Patriquin for her sensitive care.

A small gathering of family was held to celebrate Dorothy's life, as she had wished. Donations may be made to Phoenix Youth Programs.
