

Douglas J Daly

August 5, 1947 - October 12, 2025

After a difficult struggle, Doug sadly passed away at Dartmouth General Hospital with close family by his side. Doug was a kind and generous man who would give you the shirt off his back. His five Sunshines from the SPCA gave him comfort and companionship over many years. Doug was assertive but always listened to everyone, an attribute of a good mechanic. He used this talent for 25 years of service in the Navy/Forces, working on Trackers and Sea Kings at Shearwater and on HMCS Nipigon as Chief Warrant Officer for many deployments.

Doug had a love for speed. His early love of motorcycles, changed to Z28 Camaros, then to Corvettes, and finally his “special” Mustang. He and his wife Linda, travelled extensively with the Nova Scotia Corvette Club. In his spare time, he worked on Junior and Scott Kelly’s stock cars to satisfy his passion. Doug needed to see things done right. This motivated him to take on a position with MASCAR to make the rules fair for everyone.

Doug was a long time member of the “Tim’s Group” of Sackville Drive and will surely be missed.

After losing his wife Linda, in 1997, Doug lived alone with his faithful dogs until last year when he and his long time friend, Kathy, became partners. They enjoyed their new life together until his untimely passing.

He was predeceased by his parents, William and Molly (Hunt) Daly and wife, Linda (Freeman). He is survived by his partner, Kathy Ramey, brother and sister in laws, Kevin and Marsha Freeman. He leaves behind many cousins, nieces, nephews, chosen stepsons, and Sunshine #5, maintaining a special bond with each one.

Many thanks to the ICU staff of Dartmouth General Hospital for the excellent care and compassion shown Doug throughout his ordeal. A special thank you to Doug's friends who showed their support and assistance whenever he was in need. You are truly the best!

There will be a graveside service held on November 11th at 2:00 at Pine Rest Cemetery, in Greenfield, Queens County, officiated by Rev. Janet Baker.

Donations may be made in his memory to the Kidney Foundation, SPCA, or charity of your choice.

“ *Doug was my cousin
I have lots of memories of him I will share a few .As a kid,Doug spent
time with our uncles .He often got into trouble, but I still liked to trail
behind him.The summer I was 18 I spent with them to help Linda go
to appts and such
The only thing about it,I didn't like the stuffed deal.*

*I remember his marriage to Linda , especially the reception, Louise

In later years with he

“ *Doug was a special man. I came to know him some when I moved
to Greenfield as a teenager, and liked him then; but in later years I
came to know and respect him in a whole other way. He was so
good to our "step" family when Colin was sick and when our mother
passed away. I am proud to have had him as a cousin and friend.
RIP, cousin Doug. This world will miss you, but Heaven would have
welcomed you with open arms.*

“ *Rest in peace Doug. After an almost fifty year friendship, it saddens me to say good bye to you even though we haven't been as close in the last few years. Kathy, I am so sorry for all that you have been through this past few months but may the memories you two made together be enough to last you a lifetime. So sorry for you loss.*
