“ I am so sorry to hear of Duncan's passing. Please accept my heartfelt condolences. I met Duncan back in 1974 when we both became students as NSIT in the Mechanical Engineering program. We hit it off and spend a lot of time together studying, either at the campus or his home on the Arm. Met his mom. Being from Yarmouth, this was my first real city experience and it was a eye opener. Duncan showed me great hospitality and friendship and of course introduced me to the city. I always enjoyed his quick wit and ability to make a comeback to anyone. He had a great laugh. I even had a chance to make it put to his camp near Caledonia and enjoyed some great barbeques. We lost track when i moved back to work at Dominion Textiles in 1978 but we were able to connect once in a while, the most recently being a visit to the apartment on Larry Uteck Drive. I will always cherish our brief time together. Rest in peace my friend.
