“ *What can I say, there is no words that can express my sadness of losing my “DAD”. I will always remember the times we had camping, playing cards (you were tuff to beat), family gatherings, and most of all the love you had for Mom.*

*Christmas was always a special time for you and YOUR tree, you would say “Louie”, just leave only the lights no decorations” , Mom didn’t agree with that lol.*

*I thank you for being my Dad.*

*I know the angels will decorate your tree now for you to enjoy (I hope they do as good a job as me) lol, don’t forget to wear your Christmas hat and shorts and have a toast for us all down here.*

*We have so many happy and funny memories, too many to post but they will play on repeat in our heart forever.*

*Rest in peace DAD you will forever be missed.*

*Love you always, Cindy(Louie)and Joey ♡♡*

*I'm so heartbroken to hear of Eddie's passing. Just seeing this today. I'll always have fond memories of Eddie, the conversations from his balcony when I lived nextdoor on Mayor Ave. He was so kind to me, my children and my kitties. He would always through treats to my furbabies from the balcony. My sincere heartfelt condolences to all his family. The world will be a better place because of his presence and the footprints he left behind to everyone who was fortunate too have crossed paths.*

*Rest in Eternal Paradise Eddie. You will always be lovingly remembered and never forgotten for your kindness. 💔*

“ Gone but not forgotten my most valued memories of my uncle Eddie ( shake) is my fishing stories. He would call me ask me if there was any fish. I can tell you if you told him yes you better deliver the fish lol. I went on vacation to the Bahamas. When I returned he called me asked me did I catch any fish? I told him yes lots he said where is my ——— fish. I took him in the trout we caught in cape. Breton never told him the difference. He called me many times to thank me for the fish. I brought him back from down south lol rest in peace my friend you will be missed.

“ There was never a step in front of father when it came to grumpy. You were a very special part of our lives. We were lucky enough to have you in our lives for 36 years. We all camped together and no matter who you talked to someone always had a funny story to tell of you. I know grumpy LOVED Christmas. When we made our egg rolls a few weeks before Christmas he would want Christmas music turned up loud and when the egg rolls were done, he would be the first one to have one. There are sooo many beautiful memories we have of you. You will NEVER be forgotten. Thanks for being my dad(grumpy) I will love and remember you forever Frenchy💔
