

Gerald (Jerry) Vincent Howell Jr

July 2, 2023

In Loving Memory of Gerald "Jerry" Vincent Howell Jr.

Gerald Vincent Howell Jr., 57, known affectionately as Jerry, passed peacefully from this world on July 2nd, 2023, surrounded by his family. It is with heavy hearts, we bid farewell to a remarkable individual who touched the lives of so many with his kindness, wisdom, and infectious laughter.

Jerry was survived by his partner Michele Hamilton, his mother and father, Gerald and Hilda Howell, and by his brothers; Allan and Tanya Howell with their children Autumn and Lori. Bill Howell with his children William and Angus, and Ron Howell with his children Amanda, Anthony, and Angelina. As well as many cherished and loved aunts, uncles, and cousins.

Jerry was born on the 6th of January, in 1966 in Halifax, where he spent his formative years surrounded by a loving family. From a young age, it was evident that Jerry possessed a zest for

life and an insatiable curiosity. He pursued knowledge and education with great passion, spending years in the Army Reserves, and the remainder being a security specialist in the commissionaires.

While Jerry's professional accomplishments were impressive, it was his character and compassion that truly defined him. He possessed an innate ability to make everyone around him feel valued and loved. His warm smile and genuine interest in others' lives made him a cherished friend, confidant, and mentor. He was the first born, the first protector and everyone's hero, and he never led any of his brothers astray (unless it was a joke of course). Jerry was always ready with a listening ear, offering sage advice and unwavering support to those in need. He was considered the best uncle, and an even better lego builder.

Beyond his professional pursuits, Jerry had a deep appreciation for the simple pleasures in life.

He found solace in nature, often embarking on hiking adventures or capturing breathtaking landscapes with his camera or drones. His love for travel took him to many adventures with the love of his life, his "squeeze heart" Michele.

Jerry's legacy will forever be etched in the memories of all who knew him. He leaves behind a lasting imprint on the hearts of family, friends, colleagues, and anyone

fortunate enough to cross paths with him. Although his physical presence may be gone, his spirit will continue to guide and inspire us in our own lives.

In honoring Jerry's memory, let us remember his infectious laughter, his unwavering optimism, and his unwavering belief in the potential of every human being. Let us cherish the time we had with him and strive to live our lives with the same grace, compassion, and boundless curiosity that he exemplified.

Jerry, you will be deeply missed but never forgotten. May your soul find eternal peace and may your memory be a blessing to all. Rest in peace, dear friend.

Celebration of life to be announced with direct friends and family.

“ *Jerry and I were partners at CFB Shearwater for sometime and he
was driven. When he decided to lose weight and get back to being
more heathier he did so by walking he really enjoyed doing so along
the Eastern Passage Boardwalk. Thanks for fixing me up with the
numerous movies that you did which made the slow times at our
gate more manageable. Although we hadn't worked together or
seen each other for sometime I will always consider you a friend.

I met Jerry in the 90's while he was living in Newfoundland. Jerry was an amazing friend, confidante, and always had my back. If I needed anything, a ride, a place to crash, or just a listening ear, he never hesitated. To Jerry's family and friends, please accept my sincere condolences. They say God always take the best ones first. Jerry truly was one of the best! Thinking of you all!

Jerry was a dear and cherished friend to Ann and I. When he walked through the door he brought sunshine and warmth with him. Jerrys pleasant personality and sincere smile always made it a pleasure to have him in your company. With his keen sense of humor and quick wit we enjoyed many memorable hours with him Jerry also possessed a very caring and thoughtful attitude towards all people. When working an evening shift alone you were guaranteed to have the pleasure of him spending an hour or so with you. Jerry was a very astute listener and always took the time to ensure every need of his staff was attended to and definitely went the extra mile to assist everyone. Jerry will be greatly missed by all those who had the pleasure of working with him Rest in Peace dear friend.
