

Gilbert Lelievre

Loving brother, father, grand-father, cousin and friend.

Taken away from us too soon to cancer. Gilbert moved to Halifax to live the way he wanted - his way - and found his Shangri-La on the water. He was the definition of a loyal friend to those who truly knew him. A wonderful and gentle soul who will forever remain in our hearts. May he rest in peace and live on within the memories of his loved ones.
