

Glen Alexander MacPherson

August 27, 1955 - March 23, 2025

Glen Alexander MacPherson, born on August 27, 1955, in Saskatoon, Saskatchewan, passed away suddenly on March 23, 2025, at the age of 69. At the time of his passing, he resided in Lower Sackville, Nova Scotia, leaving behind his beloved wife, Lila (Bonnie) Schwartz. He spent his last years surrounded by his wife, his stepdaughter Lorena Dooley and his amazing grandchildren, Kayla and Chase Dooley.

He is also survived by his mother, Donalda (Donna) MacPherson, his sister and brother-in-law, Sandra and Pat Duncan and his son, Ted MacPherson, along with many cousins and friends that are like family. He was known to some as Poppa! He was predeceased by his father, Lemuel (Lem) MacPherson.

Glen's early years were characterized by a passion for travel, which took him to various corners of the world, enriching his life through diverse experiences and gaining new perspectives. His journey included a brief but impactful period in the military. Following his time in the military he returned to university to obtain his MBA after which he held several positions in business. However, it was his time as an auditor with the Department of Education that he spoke of most often.

Glen was very devoted to his dogs, Freddie, Randie, and Oreo. He spoke of

how he would look forward to seeing his dog Abbie at the rainbow bridge some day. He held a passion for motorcycles (Harley Davidson), talking about them often. Glen will be missed, for his daily phone calls to his mother, and for the fact that you never knew what he would say next.

In lieu of a service, there will be a memorial motorcycle ride for him to be held at a later date. Further details of the place and time will be announced on Facebook.
