“ Dear Eleanor, Paul, and Noah, we are so saddened by your loss. I was remembering how delighted Irene was to see baby Charlotte when we visited in the summer. She told her to come back and see her again. She was full of smiles for the baby. And I remember her beautiful smile at the wedding, too. The picture you posted really captures her smile. I also remember all the baking she used to do an Christmas. These are just a few memories. I know you have many to look back on. Love to all and may she rest in peace.
