March 13, 1995 - August 31, 2023

Jacob(Jake) Colton Riley of Timberlea

March 13 1995 - August 31 2023

We are deeply saddened by the loss of Jake.

Survived by Mother, Lorna, Father, David (Jo-Ann), Brother, Robbie, Grandparents, John and Elaine Cross, Uncle, Tim Cross (Janet). Predeceased by Grandparents, Don and Gloria Riley and Uncle, Donnie Riley, who Jake missed severely. Jake had a passion for his Ford Trucks and Mersey Bonfires. He loved his Country Classics and enjoyed having friends over to Jake's Shed Bar.

His sayings were: Good Enough, Ricky, and Right On.

Although it may have seemed like you had a tough exterior, it is without a doubt that you had the biggest heart.

Loved and Missed by all.

Gone way too soon. R.I.P. Jake

“ I cherish the memories of swinging on the couch swing in Jake's Timberlea backyard during our elementary days. We would spend hours talking and laughing, surrounded by the simple joys of nature. His infectious laughter and carefree spirit made those moments special. As I reflect on our time together, I regret not having the opportunity to know him better as an adult. Jake's memory will be a lasting presence in my life, and I'll carry our shared experiences with me forever.

“ I had the pleasure of working with Jake doing tree work with Acadia Arbor. What stood out to me was his quite nature and kind personality. Never one to complain. We shared many enjoyable yet physically exhausting times together hauling limbs and logs up hills on the south shore. “Good enough” as he would say. Will miss seeing him drive by my parents house in Timberlea as he raises his arm out the window for a wave. My condolences to Jakes family and friends.

“ I’m very sorry for your families loss. I knew Jake through his love of old ford trucks, he used to call me looking for parts or ask questions. He was always polite and friendly to speak with. I’m going to miss those random calls and chats.

“ Lorna, David and Robbie, my heart is broken for you. I have no words that will ever soften the pain you in right now. Jake was loved by many, many he may have forgot even knew him. I still remember a photo we have of him as a wee boy with a toy in his mouth pretending he was a dog.
