

James (Jim) Edward Simmons

October 13, 1955 - November 17, 2025

It is with great sadness that we share the passing of James (Jim) Edward Simmons, 70 years old from Halifax, NS. He fought a short but valiant battle with colon cancer and passed peacefully on November 17, 2025. Born on October 13, 1955 in Halifax, Jim was the son of the late Gordon and Beatrice (Daniels) Simmons. He was also predeceased by his sister Carol Anne(Simmons) Hennigar. Jim is survived by his loving wife Susan (Nauss), beloved daughter Jess, sister Linda and her daughter Amanda along with other nieces and nephews. At only 5 years old after Jim's mother passed it was Linda with his aunt Rosalea (Simmons) , who watched over Jim , guiding him through many of life's challenges. Jim was employed by the Province of NS for over 35 years. During that time he became a volunteer Probation Officer for youth. After retiring Jim worked caring for the elderly which he thoroughly enjoyed. Most know that Jim would do anything for anybody at anytime. He was also known as an avid train buff. He grew up in a train environment as his father, grandfather and an uncle all worked for the Railroad. Jim's passion grew from model railroad layouts to collecting train memorabilia and writing many articles on railway history, being published in many magazines. A Celebration of Life will be held on Saturday, November 29th at 2 pm. at St Margaret's of Scotland, Robie Street, Halifax. A reception will be held at the church after the service. All are welcome to come for tea, coffee and a chat. The family requests No Flowers please. We would like to thank Dr Michael Diab and Tina, Dr. Frank Lo and Wendy and the staff at 7A
