

## Jean Isabel Redmond

January 19, 1929 - February 17, 2024

It is with great sadness that we announce the sudden passing of mother/friend, Jean Redmond (nee Harvey), on Saturday February 17, 2024. She was very much an animal lover who enjoyed all God's furry creatures. She was known to hand feed any cat or dog that chose to visit her while she was sitting in her favourite chair. She was a very generous person who would gladly share and willing to help someone who needed it. She was an avid reader, especially liking the writings of Louis L'Amour. She was interested in anything Elvis, the royal family and swore she saw a UFO some time in the late 60s. when she lived in Dartmouth. She worked for many years at Hermes Electronics until her retirement. She was predeceased by her grandparents who raised her when her mother passed away when she was a baby and survived by her daughter and son-in-law, Heather and Craig Seaboyer.
