

Jeffery Carjel Gander

February 13, 1960 - May 31, 2026

66 of East Dover, passed away on May 31, 2026, at his home. Born February 13, 1960, he was the son of the late Kenneth Maxwell and Una Shirley (Williams) Beck. Jeffery, also known as Ken (Kenny) Beck, was a lineman with N.S. Power for 30 Plus years. He was a very dedicated employee working long hours travelling to other provinces when needed. January 1998, he spent many weeks working in Quebec to help with the "Great Ice Storm." Kenny was devoted to his parents' care as they aged. Whatever their needs were, he was quick to buy anything that might have helped them. Once a month for many years he diligently took his mom to have her hair done always paying the bill. Kenny was his happiest when he was hunting and fishing. He made several trips to Newfoundland doing what he loved. He decided to buy property and move there full time after retiring. His life ended before this happened.

Kenny is survived by, his only sibling, sister, Carolyn (Gary) Sarty, Bridgewater; Nephews, Bradley and Evan (Courtney) Snow, Aurora, Ontario; two great nieces, Harper and Lacey Snow. Kenny will be laid to rest at a later date.

May you finally have peace Kenny.
