“ So sorry to hear today of Graham’s passing. I knew him from walking the dogs in point pleasant park and my wife before that as a regular at her bar at the Moosehead games. Always had time to stop for a chat, always had a smile on his face. The last time we saw him must have been shortly before he passed away, we walking the next generation of our offsprings dogs. Although looking frail, still a great smile in his face and time to stand and chat.

Our sincere condolences to Dianne and family. We will miss our chance encounters in the park.

“ Sincere condolences to all of you. I will always remember Uncle Graham for his warm hugs, kind eyes, and that subdued chuckle he had during every conversation - seeing the mischievous humour in just about every story and situation. He will truly be missed. Love you all.

“ Just wanted to send my condolences to all of the family of Graham MacDonald. I knew Graham & his wife Diane & his daughter Sarah from our encounters at Point Pleasant Park. We met on numerous occasions over the years & shared a few words especially about dogs. I am a dog walker & I always enjoyed our encounters. Though I didn't know all of you very well, I was always pleased to see Graham walking Sarah's 2 dogs. And to see Diane & Graham every so often after the pandemic & Sarah too when she was in town. Also too I was able to walk Graham's late brother's dog, Archie. Y'all are such wonderful people & I am so sad for your loss. Please take care.
Be at peace Graham. Will always think of you walking at the Park.

“ Dianne, we were so sorry to hear of Grahams passing. Brian and I have fond memories of him playing with Josh on the street, his love for you all was so clear to us when we would chat with him on the sidewalk, his eyes lit up when he spoke of you, the kids and of course the beautiful grandkids. Our thoughts and prayers are with you all. Maureen, Brian and Grace
