“ I loved Joan! She was a straight shooter...You always knew where you stood with her.
Over the many years at many rug hooking occasions, she always was so generous with her knowledge, bringing food, helping others, even though she was suffering with plenty of situations in her life. She was a VERY strong woman!
I will miss Joan...
RIP my friend , you deserve it.
Love Bernice xo

“ *I was very sorry to hear this.*

Some years ago, at Hooking group, i was working on a piece that I was struggling to find a background colour for. I was sitting next to Joan that morning. She looked at my piece and we chatted about it and kind of came to an agreement that a certain colour might work. Only thing was, I did not have that particular colour wool,

The next week Joan handed me two skeins of wool she had purchased and dyed for me in that same colour. I had not asked her, she just did it. She said if you want it, just pay me for the wool. That's all she wanted.

I was floored that she would take the time to do that for me. Her generosity overwhelmed me.

I haven't see Joan at the group for a while, but I will always remember that gesture.
