

## Joan Elizabeth Mader

March 15, 1949 - June 12, 2024

Joan Elizabeth Mader (Hatt)--75

Mom passed peacefully at Mahone Bay Nursing Home, June 12, 2024 with her daughters, Carla (Jason) Seffern and Vanessa (Darrin) Myra at her bedside. She passed at 4:55pm--the same time as her mother. We like to think that Nanny was waiting for her.

Predeceased by parents Willis & Greta (Eisnor) Hatt and brother, Scott Hatt. She is survived by grandchildren, Jesse Zinck, Lily Myra, brother Doug Hatt, sister Tina Collicutt and closest, life-long friend, Zelma Hatt.

When thinking of Joan, we hope people will fondly remember an easy-going, fun loving woman with an amazing sense of humor and the need to help anyone in anyway she could.

She took great pride and pleasure in her cooking, baking, crafts, Christmas and her cats, but most of all, her family.

The sun rose and set on us girls and her grandchildren. She never had as easy go over her lifetime, but we like to think she raised two independant and spit fire daughters that share her wicked, warped and sarcastic sense of humor, in the best way she knew how.

Not to mention, she made the BEST damn smoked mackerel in all of Lunenburg County.

A graveside service to be held on Wednesday June 26th, 2024 @ 2:00 PM at

St John's Anglican Cemetery Chester Basin, 627 Borgels Point, NS B0J 1K0.

In lieu of flowers, donations in memory of Joan can be made to the family to aid them in this difficult time or SHAID Animal Shelter.

SM

“ Rest Easy Joan, your struggles are over <3 I will always remember you for your great kindness you have shown to others when you struggled in your own life. Your love of animals, potato salad and most of all your love of Lobster and the many buckets of muscles we ate at the cottage. We always had a great time wherever we were. You will be sadly missed by so many. Sending sincere condolences to all your family.
