

Joan Margaret Wentzell

December 5, 1940 - March 3, 2024

Joan Wentzell passed peacefully after a short term battle with dementia. She is survived by her daughters, Marsha and Glenda Wentzell and sister, Edie Colp and numerous nieces and nephews. She was predeceased by her parents, Roy and Edith Fancy and younger brother , Gary. She was a member of the Elmsdale chapter of the Red Hats Society and travelled throughout the Maritimes and the States with them. She loved flowers and horses-always wanting to go to a ranch in Alberta. She was a spiritual woman and made a mean apple pie-she will be missed.
