“ Joe , Kim and family , I am sorry to hear of your father’s passing. I lived just down the street from you growing up and I used to babysit you occasionally when I was a child myself . I hope life has been good to all of you and that your memories bring you peace and comfort in the days ahead .

“ I am so sorry to hear of the passing of your father. I use to live around the corner from your Dads family house when we were children. I lived on Maynard St. and your Dad lived on Bower Street many years ago. My thoughts and prayers are with you and your family God Bless
