

Judith Ann Field

June 26, 1943 - April 17, 2026

Judith Ann Field, 82, Halifax, Nova Scotia

Judith Field nee Mason passed away peacefully on April 17, 2026. She was born June 26, 1943, in Chester, Nova Scotia. Judy was predeceased by her parents Audrey and Stedman Mason of Chester and her siblings Wallace, Gloria (Peroli), Daisy (Bond) and George.

Judy started her first job at Art's Famous Lunch in Chester. She had several other jobs over the years, but the majority of her time was spent raising her two daughters, Marsha and Sheila. She was an avid reader and loved doing her word puzzles.

Judy met her future husband, Martin, in Western Shore and they married a year later. They spent the next 66 years together. Judy was the backbone of the family, keeping the home in order as most military spouses do. They lived in several places over the span of Martin's 31-year military career. After retiring, Judy and Martin lived several years in Australia with their daughter, Sheila, two of their grandchildren, and several great grandchildren, before returning to Nova Scotia. Judy loved her grandchildren and spent lots of quality time with them whenever she could.

Judy leaves behind her husband of 66 years Martin (Halifax), daughters, Marsha (Blaxland) Halifax and Sheila (Best) Australia, 3 grandchildren; Nicholas (Nanaimo, B.C.), Kera (Australia) and Kelsey (Australia) and 14 great grandchildren; Mikenna, Jayce, Kayden, Avajade, Seth, Jacek, Hunter

(Nicholas), Oliver, Dylan, Kaylee (Kera), Laiken, Hayden, London and Arlo (Kelsey). She is already greatly missed by all.

Special thanks to all the Palliative care staff at the QE2 Infirmary for caring for her with so much compassion.

No service will be held; a private burial will be held at a later date. Donations may be made to the Alzheimer's Society of Nova Scotia.

“ *I have very fond memories of Judy from when we were teenagers. We started our first jobs together at Charzel's in East River and had so much fun. I'm not sure Zelda appreciated our giggling but we enjoyed every minute. I'll hold those precious moments in my heart forever.*
