

Judith Ann Jollimore

May 10, 1953 - July 4, 2022

JUDITH ANN JOLLIMORE, 69, of Halifax NS succumbed to pancreatic cancer after a short battle on July 4, 2022. Born in Kentville, she was the daughter of Gordon Deal and Shirley Deal (both deceased).

Judy was an independent and passionate woman, loving mother and avid animal lover. Since her retirement she spent most of her free time feeding the deer and other animals in her backyard, whom often came back just to seek her out. Judy's love for animals did not just stop at wildlife, her two cats Koko and Lily were her favourite companions who meant the world to her. She also deeply loved her son Cory's dog Chup. Judy was creative and artistic, who had many projects on the go. Although she may not agree, she really knew how to take something ordinary and make it a work of art. Judy had a very close relationship with her only child Cory, they would have lengthy conversations on every subject and have always been each other's support system.

Judy is survived by her son Cory Jollimore (Lindsey) and several cousins. She is also predeceased by her brother William Deal.

Donations in lieu of flowers can be made to Hope for Wildlife.

A special thank you to all of the care workers that have helped Judy through

her battle with cancer, especially the nurses on 3B at the Centennial Building of the VG.

“ Cory, I am so sad to read just now about the loss of your mom. I tried calling her today and got no answer. She was a very special lady and I'll always remember how good she was to me. So very sorry for your loss. -Amy
