

Katherine Eileen Arthur

August 4, 1994 - March 8, 2026

Katherine Eileen Arthur of Halifax, Nova Scotia passed away peacefully at the Halifax Infirmary Hospital on Summer Street, at the age of 31; with her close friend, Nasir and her Partner, Aubrey by her side.

Katherine (Katie-Kat) is survived by her three children, and their Father, Jon V; and their Paternal Grandmother, Katherine V. In addition, Katie-Kat is survived by her Sister Amber and her Husband, Jordan; and their two Children; her Mother, Shelley; her Father, George & his Partner, Hazel.

Many will fondly remember Katie-Kat for her kindness, her generous spirit and her quick wit. She was the first to step forward if someone needed a hand up, and always looked for the good in people. She could 'read' people and would immediately step in to listen, or offer a hug.

Katie-Kat was a quick learner. She enjoyed a variety of employment opportunities, before settling into a painting career with Aubrey. She never was one to back down from a challenge, whether it was a heavy bucket of paint, a tall ladder, a difficult client, an unexpectedly early start or an extra-long night. She persevered, whatever the situation. Some might call her 'stubborn', others might say 'dedicated', but all would call her 'kind'.

She will be dearly missed by Aubrey; his Brother Nicholas; their Parents,

Isabelle & John; and Grandmother, Elizabeth. Katie-Kat was a welcome addition to their Family. Her quick smile and sunny disposition will be missed by her countless friends, acquaintances and all who had the pleasure of crossing her path. She was a light in this world.

Special thanks to the staff at the Halifax Infirmary Hospital who tended to Katie-Kat during her long stay in their care. Katie-Kat was especially grateful to her friends working on 8.2. .

A Celebration of Life will be held at Cole Harbour Community Well, 1213 Cole Harbour Road, Dartmouth, NS on Sunday, March 22, 2026; 1pm – 4pm.

'Wildflower' (Katie-Kat)

A free spirit who grew with grace and resilience, thriving even in the most unexpected places. She could not be confined, for her beauty lay in her wildness - untamed, authentic, and true. A soul who danced with the wind, soaked in the sun, and bloomed boldly in her own time.

“ So sorry I was out of town and couldn't attend. I taught Katie at Harbour View in grade 4, and then was lucky enough to see her at John Martin when I moved there years later. I still have the cutest holiday ornament Katie gave me that has a little cat, with a feather in its mouth, saying what bird? I think of her every time I hang it on the tree. Katie was creative, bright and so kind. Thinking of her family and friends right now, knowing she was such a bright light in this world. ❤️

“ So sorry to be hearing about the loss of such a beautiful soul. I had the pleasure of teaching Katie when she was in junior high school and let me tell you she was a little wildflower even back then and brought a spark into the classroom that I'll always remember. May she rest peacefully. Sending love and light to her friends and family

“ Whenever I walked into a room feeling nervous, knowing I wouldn't know many people, Katie was always the first to get up, run over, and greet me with the warmest, biggest hug. She had a way of putting me at ease immediately. Her light, her warmth, and the way she made people feel so instantly comfortable are what I'll remember most. I love you, and I miss you deeply, sweet, beautiful girl.
