

Kelly Daniel Murphy

April 4, 2023

Kelly Daniel Murphy, age 57, passed away April 4, 2023. Born January 13, 1966 in Edmonton Alberta.

Pre deceased by Gertrude Murphy (his loving grandmother who raised him) He was a loving husband to Sharon Murphy (née Wheeler) and a devoted father to his three children Melinda, Brendan and Kelli. Grandfather ("Beena") to Keegan, Carlotta, Denny, Jamie, Chloe, Kenzie and Damien.

Dad had a job from the young age of 15 until the day he passed, at that time being the store manager of Bridgewater Kent. His careers took him all over Nova Scotia and New Brunswick, allowing him and his family to meet many people. Dad absolutely loved to work. He never complained a day in his life even if he was tired or in pain.

Dad had the biggest heart I have ever seen. He wore his heart on his sleeve and would give you the shirt off his back if you needed it. He was always so kind and understanding. Always doing anything to protect those he loved and make them happy.

If you knew Dad you know he loved two things aside from his family; camping and the Toronto Maple Leafs. Every night you could find him cuddled up with his two favorite Toronto Maple Leaf blankets; he even had one on him when he was taken from us. When Dad set out to go camping you could see how happy it made him and how relaxing it was for him and it seemed like maybe it made all his worries melt away even if just for a short time.

Dad had many important people in his life but these people he considered to be family, his father-in-law or "Dad" as he called him, Tom Wheeler, as well as Barb Speichts and the three people he considered his brothers, Phil Delorme, Chris Deviller and Dan Murphy. He loved them so much and made sure they knew it.

Dad always called Susannah Smith and Crissy Deviller his daughters he loved them like his own.

Dad's passing was very sudden and unexpected, he was taken from us way too soon. He was loved by so many people, I don't think there were very many people that met him that could say they didn't like this man. He was truly incredible and a gift to us all. He will be incredibly missed.

“ Of the few people who believed in my ability to move up in Kent, Kelly was one of the few who took time and would regularly check in and offer assistance or books or anything he could to help or motivate me.

“ Kelly was truly one of the greatest people I've ever had the honour to meet. I will never forget the time that he spent as my manager when he worked at the Halifax Kent. He was loved by everyone that he came in contact with, almost instantly, and knew how to treat everyone with love and respect. I will never forget the drives home he gave me when we worked night shifts, when we could both decompress from work and have mini rants together about our days. Kelly will sorely be missed by many but will continue to be remembered as the kind, wonderful man he was and will continue to be the driving example of how people should treat one another!

“ Kelly was a gentle, good man who was selfless in his kindness to others. Every Christmas when our office was organizing to help a family at Christmas, he was always so generous. One time he came running from the Superstore to give me a teddy bear for a woman who had lost everything in a fire. After he left Truro I was so happy we stayed connected through Facebook. He said to me when he was leaving Truro “If you could find it in your heart to stop in to see me when I move it would mean so much to me.” There was no one kinder, more humble or compassionate than Kelly. He truly was an Angel on earth. My thoughts are with your family as you move forward without this exceptional human being.

I remember when Kelly and Sharon work with me at Oromocto SS, many fond memories. The day we wrapped his new truck in pallet wray and big red bow in front of store. The look on his face. He was a friend to all and I will remember that smile forever. Condolences to the family. Keep your memories close. Hugs
