

Keri Anne "Keri" Marie Taweel

April 12, 2025

We are announcing the passing of Keri Anne, an equestrian and a true animal lover. Keri, as known to her friends, showed a real passion for animals. Her animals won the "owner lottery" as she had the profound quality of putting 100% into what she loved. Over the years, she showered with love: Chester, George, Juby, Belle, Chloe, Delia, and the "King of the Barn", Conner. If you were looking for Keri Anne, she could always be found cleaning out a stall or mentoring the young riders in her trade. The barn was truly her happy place. Keri Anne was not a showy person, but she quietly flourished in artistry. Drawing as a young person led her into graphic design and even handmade, custom equine jewelry. "Bling in the Ring" made sure every rider matched their horse and always looked their best. She had a keen eye for photography and our family will continue to cherish the memories she captured on our trip to England in 2012. Although our hearts are heavy, they are full with comfort knowing she is now in a place of rest. We are proud of Keri Anne for her strength and courage and respect her choice. A celebration of her time with us will be held at the barn at a later date. We would like to thank Caleb and her barn family for all the love and support they gave her over the years. In this time, we ask you to spoil your fur babies and spend time doing what you love most, just as Keri Anne would. We understand. It's all OK now. Dad, Mum and Ash

“ I worked with Keri Anne at Steak N Stein when we were in our teens/early 20's. We all became a family there for sure. We had alot of laughs, in and out of the kitchen and she will be deeply missed. She took a lot of pride in her work, but wasn't afraid to have fun while doing it. She was loved by many.

“ My heart aches for Keri's family during this incredibly difficult time, please accept my deepest condolences.

Keri's presence was a comforting constant, she was consistent through and through, loyal, and not afraid to speak up for others. I will always treasure the memories we made—countless hours we spent riding together, showing together, and chatting in the tack room about life.

Keri's family, friends, and barn family are in my thoughts.

“ *Sending my heartfelt condolences. Keri Anne was so kind to me and my daughter. She reached out to me when my daughter, Lillian was struggling with riding. She was so genuine and compassionate, offering encouragement and great advice. I am so blessed to have known her. She made a lasting impact on my life in the most quiet way.*

I am so grateful to have had the many barn chats and share in her love for horses. My thoughts and prayers are with all her family and friends.

“ I've known Keri since we were little girls riding at Fall River Stables. Keri Anne made lifelong friendships in the horse world and anyone who knew her knew how compassionate and caring she was to her horses and barn family.

Keri was always a helping hand and a mentor when I needed it. She is the reason I am still riding today. Keri trusted me with her beloved Conner and as painful as it was, he lived his best life with her.

Keri was such a positive influence on the up and coming superstars and was always there to offer support and celebrate their success.

My daughter and I will be forever thankful for your unwavering support, guidance and teamwork sharing your love of horses (and not just the sport) with us.

We love you and I know we have some big shoes to fill, but we are going to try our best to provide in every way you would for Delia
