

Liana Jean Worsfold

April 30, 1963 - November 22, 2024

It is with heavy hearts that we announce the sudden death of Liana Jean Worsfold on November 22, 2024. Liana was born in Nova Scotia but soon found her home in British Columbia and returned to Nova Scotia in 2013. She was predeceased by her parents, Donald and Georgina (King) Worsfold. She is survived by her Uncle Henry King (Paula), Aunt Faylene Logan, cousins Deborah MacKenzie (Micheal), Holly Rumsey, Heather Rumsey, Sue Ash and Cheryl King, along with extended family members.

Cremation has taken place and a celebration of life will be held in the spring of 2025 to remember Liana (details to follow).

Liana had a love of cats and birds, especially morning doves. She was an avid Hal Con participant and for those that knew Liana will miss her animated conversations about all things science fiction; especially Dr. Who.

In lieu of flowers, donations can be made to the SPCA or the Canadian Mental Health Association.

“ It has been a few months since I learned of Liana's passing. I still feel gutted that her bright, loving light is not with us as it was. I carry her and her friendship with me, in my heart, always. I would love to hear about any memorial or celebration of life, please. Charlotte Bouvier (250)667-2360.

“ *I met Liana through work, where she consistently supported those around her. Our friendship grew, and she significantly helped me by caring for Heera when I couldn't. Liana, I hope she has been waiting for you along with your other cherished pets. Please give her a pat for me. Rest easy my friend.*
