

Lisa Louise Edwards

November 21, 1970 - June 18, 2024

It is with profound heartache that the family of Lisa Edwards announces her sudden passing in her 53rd year. She leaves behind her son Jesse Edwards (Jessi) who she loved with all her heart. Lisa had a love and talent for singing and enjoyed sharing this with her friends and family. She also loved animals. She is predeceased by her parents Judy Edwards (Holland) and Arthur Edwards and her nephew Drew Brown.

Jesse will remember his mom having a deep passion for music, horror movies, and animals. They shared their love of music by going to many concerts together over the years including Motley Crue, Ozzy, Kiss and Aerosmith.

Lisa leaves behind her sisters Heather Brown, Lynn Kenzora and Kim Swerdfeger (Anson) who will remember all the good times they shared while visiting Nova Scotia. They feel very fortunate to have been able to do a sister's trip to Halifax last May to celebrate their mother on the 25th anniversary of her death.

Nieces and nephews Ryan Brown (Janeine), Jayce Kenzora (Moesha), Lauren Kenzora (Will) Stephanie Swerdfeger (Scott) and, Karley Swerdfeger and her great nephew Gavin will miss all the fond memories of visiting her in Nova Scotia.

Lisa will also be missed by many friends especially Ann Hill her best friend

who will miss all the laughs they shared together. One of her fondest memories was when they went to the beach and forgot to use sunscreen. They both ended up sunburned and looked like lobsters.

A private family burial will take place at Highland Park Funeral Centre, 2510 Bensfort Rd in Peterborough Ontario. Lisa's wishes were to be buried with her mother.

To honour Lisa please consider donating to animal shelters and be kind to one another.

Lisa you will never be forgotten and will always be loved. We hope you are having a wonderful time being reunited with mom and Drew. Rest in peace Lisa you will be forever in our hearts.

Love Jesse and your family
