Lorraine Margaret Bellefontaine  
July 1, 1965 – August 23, 2024

It is with profound sadness that we announce the passing of Lorraine Margaret Bellefontaine (nee Mombourquette), age 59 of Halifax. Lorraine passed away surrounded by her family that loved her on August 23, 2024 at the Victoria General Hospital in Halifax after a short battle with an aggressive cancer that she fought with courage and determination until the very end.

Lorraine worked at Shannex and Walmart where she gained many lasting friendships. Lorraine loved her son dearly and he was always her number one priority. Lorraine also loved music and was very proud of her son Michael's musical talents. In true 'Mombourquette' form Lorraine was a true avid bingo player and would go any opportunity she could.

Lorraine is survived by her son Michael, his father Darren Bellefontaine, sisters Michele Burke and Kim Mombourquette (Paul), nieces and nephews Angela, Brian, Joseph, Ashley and Tammi. She also leaves behind many extended family members, too many to mention.

Lorraine was predeceased by her parents Michael and Joyce Mombourquette.

We would like to thank Dr. Daniel French and Dr. Mary MacNeil for their care during Lorraine's illness. In memory of Lorraine, donations may be made to the Canadian Cancer Society.

A Funeral Mass will be held Friday, August 30th at 11am at St. Catherine's of Sienna Parish 6476 Bayers Rd. Halifax with reception to follow.

"REST EASY Lorraine. We hope there's a Tim Hortons in Heaven."

“ WOW, I know it's late, but I was wondering what Lorraine was up to, looked on facecrack didn't find her, but when I searched google, this is what I found.

*I remember Lorraine fondly, I think she was my first girlfriend when we lived in the pubs, last time we spoke and had supper was 2011, and wanted to connect again when I came back to Halifax this year. So I wanted to find out where she was. Saddened to hear this. At a loss for words*

*I'm truly sad to hear this, truly sad. Sorry for your loss and condolences to the family.*

“ Lorraine and I grew up together and she was always so kind! She had the most contagious laugh and remembering a day walking together to school and we started laughing about something silly I'm sure but I will never forget how we laughed and how much harder I laughed listening to her laugh lol

*Whenever I bumped into Lorraine usually at Walmart we would have great chats and always a few giggles! Lorraine was just one of those people you loved! I'm grateful for the memories I can cherish Rest easy Lorraine. You will be missed by everyone who knew you!*

“ As lifelong friends Lorraine and I and her sisters grew up together and played daily together in our neighborhood. As the years went by life got in the way and we didn't see each other as often, but I was fortunate to run into Lorraine many times at Walmart where we ended up chatting way too long. We also continued to stay in touch via Facebook messages while supporting each other during my husband's cancer battle and then, unfortunately, Lorraine's cancer battle. I appreciate the friendship we shared and all the chats along the way. Life is short and sometimes too short. Always appreciate your friends and family as we just never know when they'll be taken away from us. Rest easy Lorraine; till we meet again my friend ❤️
