

Lucien Paul Hébert

October 18, 1928 - October 26, 2023

Age 95, of Halifax, NS, passed away October 26, 2023. Paul was born October 18, 1928, to Thaddée and Elizabeth Hébert (of Edmundston, NB). He was predeceased by his wife of 59 years, Rita Duncan (Dalpé); son, Marc of Calgary; sisters, Thérèse LaCombe, Georgette MacDonald, Yvette Perkins, Yvonne Fournier; and brother, Rudolphe. He is survived by his children, Joel, Suzanne, Paul and Elaine (Bob); siblings, Elizabeth Saindon, Pauline Hébert, Thaddée Hébert; and eight grandchildren; and 10 great-grandchildren. Dad's studies took him to St.F.X. University and the University of Manitoba, where he received his Bachelor of Architecture, and this was the beginning of his lifelong career as an Architect. Dad was very hard working but always found time for special projects. He was an avid skier, sailor and fly fisherman and in later years his interest was held by aircraft. Dad was extremely proud of his Acadian roots. Many a family vacation was enjoyed with his eight siblings and their families, in his parent's camp at Lac Baker, Que. Catching up and reminiscing with his family was very important. The family would like to thank the staff of the Halifax Infirmary and the VG Site, QEII for the compassion and care shown to our father. He was loved and will be truly missed. A private family gathering will take place at a later date.

No Flowers By Request.

“ We are deeply saddened by the loss of Père. He was greatly influential in the life and upbringing of his grandson Paul Lucien Hébert. He will be greatly missed. We feel blessed to have enjoyed time with him on our visits out East and during his trips to Calgary. We loved having him attend our wedding and later having visits with his great granddaughter Madeleine in her early years. He will be remembered for his love of family, dedication for lifelong professional and personal achievements in architecture, many hobbies and talents, passion for Acadian history and politics, and most of all the love and kindness he provided our family. We hope that happy memories lessen the pain for family and friends during this difficult time. Père will forever be in our hearts and memories. With all our love,
Paul, Carolyn, Madeleine, and Miles Hébert

“ We are deeply saddened by the loss of P re. He was a very influential part of his grandson Paul (Lucien) H bert’s life and upbringing. He will be greatly missed. We cherish the times we shared with P re on our trips out East and his visits to Calgary. We were blessed to have him at our wedding and the early years of his great grand-daughter Madeleine’s life. His love for family, dedication to ongoing professional and personal achievements in architecture, many hobbies and talents, passion for Acadian history and politics, and most all the love and kindness he provided to our family will not be forgotten. May he Rest in Peace and may all the happy memories lessen the sorrow that family and friends feel at this time. Forever in our hearts and memories. Love always,
Paul, Carolyn, Madeleine, and Miles H bert
