Delaine, Margaret Shirley. Passed away Monday February 13 2023.

It is with great sadness that we announce the passing of Margaret “Shirley “ Delaine, a beloved mother, grandmother, friend and sister. Born in Halifax, Nova Scotia in 1944 Shirley was the youngest child of Louis Napoleon and Yvonne Marie Lavoie. She leaves behind a legacy of love that will be cherished by her family and friends forever.

Shirley is survived by four children, Leslie Delaine, Chris Delaine (Angie), Kim Watters (Ed) and Maria Boggs (Scott). Shirley was also blessed with six grandchildren, Daniel and Robyn Watters, Jennifer, Evan and Matthew Delaine, Lauren Dexter, and Mackenzie Boggs, who she cherished and loved deeply.

Shirley had a unique gift of making friends everywhere she went, and some became more than family. Eddie and Lucille Thimot, Jim and Cynthia Clark and Raymond and Jeannine Meehan. These close friends brought so much love and laughter into Shirley’s life, and she was grateful for their kindness and friendship everyday.

Shirley was especially close with her sister, Theresa Rygiel, and loved all of her many nieces and nephews. She will always be remembered for her loving

nature and her spunky personality.

Plans for a service will be made for a future date. Shirley's family and friends will come together to celebrate her life and remember the many memories and moments she shared with them. She will be deeply missed.

“ I’m sorry to be late to send my condolences about the loss of your wonderful mother .Shirley was such a beautiful person inside and out and I’ve missed her over the years .  
I had wanted to share a fond memory that I had of her at working behind EDC at the Dalplex at Dalhousie .I will always remember her sense of humour and the special way she treated all the students/ staff that worked there and everyone around her. Regardless of her health she never let it stop her from being a kind soul. Shirley will always be remembered as a special caring soul and friend.Hugs to heaven.

“ Well I was sad to hear the news that Shirley had left us. She was just always there for us and was ever present in my young life. When I first lived in the City she "mothered" me and gave her time and even a place to sleep on more than one occasion. She just cared deeply for all of us. She loved Rita MacNeil (That is a great measure of what kind of person she was) She just loved us all. She was a kind soul. She was a fiery and spunky personality that made me smile and laugh and she was always a close friend to me and all my kids too. She was able to show great interest in my life and always treated me like family. I will miss hearing her news and her smile. I hope all those who loved her will be comforted by the many happy memories that keep entering your thoughts. Our most sincere condolences on the loss of a wonderful lady.
