

Marlene Alice Perrin-Brannon

April 4, 1958 - July 14, 2023

Marlene Alice Perrin-Brannon, age 65, passed away peacefully in her sleep on July 14, 2023. She was born on April 4, 1958 in Halifax, Nova Scotia to the late Reginald and Rita (Venedam) Perrin.

After taking courses at Compu College in travel and tourism and NSCC in business english and business education, Marlene began a career that she was proud of in the travel and tourism industry. She was passionate about taking great care of her clients.

During her accomplished career as a hospitality specialist, she took many courses and had the opportunity to travel to Alberta to work at the Jasper Lodge where she gained so many skills, including bartending! After returning to Halifax, she realized that her heart was in the mountains.

Marlene absolutely loved to spend as much time as she could with her grandbabies, loved her drives to the beach, and loved dogs.

Marlene is survived by her brother Jamie Perrin (Dianne), sister Sharon Perrin-Crory, daughter Hannah Perrin-Brannon (Matthew Beitel), son Matthew Perrin (Holly), and grandchildren Kayden and Teyla Perrin; along with her nieces, nephews and cousins.

Please join us in celebrating her life July 29th between 3:00p - 7:00p at Fairview Legion (50 Hillcrest St, Halifax)

We would like to thank the nurses and staff of the QE2 Halifax for their care, comfort and kindness over the last few weeks.

“ Thinking of you Marlene on your birthday. We shared many laughs watching the show House after we were both going through challenging times. I was away and it was 1/2 a year after that I heard of your passing. You loved your dogs and your grandchildren. You loved to talk about the travelling you did in the past. Rest easy your pain has come to an end.

“ To the Perrin-Brannon Families:

My deepest sympathies to everyone and I will keep Marlene in my prayers. Every time I visited my nanny and gramps, aunts and uncles in Fairview, Marlene would always take the time and drop by for a visit and a catch up chat. I have very fond memories as Marlene was always so happy to reconnect each time. As my brother noted we spent many days at Uncle Reg's playing cards, games with Marlene and her siblings having a fun time. She was definitely one of the bright lights on earth and her brightness will now shine through the stars.

God Bless

“ To Marlene’s siblings, children and grandchildren,

I wish to extend my deepest sympathies to you all. I was Marlene’s cousin. Her father and my grandmother (Annie Kelly) were siblings. I have fond memories of Marlene during my summer visits as a child to Halifax to visit my grandparents on Rosedale Avenue. Often my siblings and I would venture up to uncle Reggie’s place to play cards and spend time in such a lively family setting.

Marlene was always a bright spirit. I remember hearing of her accomplishments during her days working at McDonalds in her youth – winning all sorts of competitions. She had a lovely smile and a beautiful warm heart. Those in the heavens will enjoy those wonderful characteristics now.

Rest in peace my dear cousin.

“ *To Marlene's Family :*

We were saddened to hear of Marlene's passing, truly taken far too soon. So many fond memories from the days both of our families lived on Rosedale growing up. Marlene's smile could light up the world and oh that laugh came right from her toes and you couldn't help but laugh with her. Of course we do have to remember her devilish ways and pranks on the others of the Rosedale family that would drive you crazy at the time but bring smiles today.

Although it has been a few years since we saw each other we are thankful our paths crossed at the chicken burger and we were give an opportunity to say hello.

Rest in Peace Marlene and we know that you have everyone smiling and laughing as you watch over your family and friends. Our thoughts are with Jamie, Sharon, Vaughne and Hannah, Matthew and extended family.

*Love and hugs

“ *Marlene was our neighbor a few years back. Our children (now adults) grew up together. Marlene was an independent strong woman, she loved being outside, and would love to walk her dog(s), especially in the evening. Marlene loved her children and grandchildren very much and would always express how proud she was of them.*

Sending our heartfelt condolences and love to Hannah, Matthew and family. May you find comfort in the memories you shared.

It is with a very heavy heart and sadness to learn of Marlene's passing. Marlene was a strong person deep down but I know she had a profound sadness. I met Marlene 10 years ago, and became a friend and confident , I hope she felt the same. She so loved her Bruno and Sphinx. She truly loved walking her closest friends and companions every night through the subdivision she once lived in. Marlene simply thrived whenever she saw her grandchildren, especially when they stayed with her on weekends. That's when she felt most loved and had great fun and memories of Kayden and Tey Tey, as she called her granddaughter. I will always remember her infectious laugh and how much she fought for what she believed . I wish with all my heart that I could have visited Marlene while in the hospital, I'm so sorry I didnt know she was not well. I do know that Markene is in a much better place and meeting up with Bruno and Sphinx. My sincerest condolences. Til we meet again Marlene, rest now hun, your struggles are over.

So sad to hear about the passing of Marlene. We first met Marlene when Hannah started school at PRES with our daughter Emily. Marlene was easy to talked to and was a very dedicated mother with passion. Her active lifestyle was admired and she was always a friendly and welcoming neighbour. Our thoughts and prayers are with the family at this difficult time. Dave and Camille Vokey
