“ I am sad to read of her passing. I was her brother, Richard's, doctor and she was incredibly supportive of him. And even, perhaps for me, was how supportive of me she was in the ensuing years. There are times when you become a reminder of a tragic time in their lives and seeing you brings back that sadness. Marsha was the opposite. She continued to be supportive especially times when that support was felt and appreciated. I was blessed and honored to know her.

“ *Hartnett Family*

Sorry for your loss and she will be missed. We were class mates, and MT & T employees at toll a very long time ago. Marsha loved her family, her outings for her fish n chips and reporting to her Facebook buddies all necessary notices of importance. Now she is at peace and with her Mother who she missed terribly. RIP Marsha , say hi to Mum for me and I bet you'll all be at bingo together laughing it up.

“ Marsha lived on Clifton St one street over from my sister and I .We
were very close friends along with many neighborhood friends.We
had a lot of fun times together.My grandparents had cottages and
we had many weekends there as friends.I remember on particular
time we as a group went to Scotia Lunch and what did Marsha
ordered but beans and weiners.I will never forget that.Another one
of our places to eat was Robie foods on the corner of Robie and
Young St and Guses Grill North St.A few years ago we had a
Fabulous lunch at The Pilot Bub in Dartmouth with at least 15 girls
from the old neighborhood.It was so nice to see all the
ladies.Another memory if you called the operator and sometimes
you would get Marsha ,that was a bonus.Marsha was a great friend
and I know in my heart she is happy to be with her Mom and
Ricky.Spread your wings and fly high Marsha.RIP❤️
