Patricia Mary Gray

March 14, 1950 – October 12, 2022

It is with the heaviest of hearts that the family of Patricia Gray (nee Peters) announce her passing on October 12, 2022.

Pat was a loving and caring woman and was destined to a life of helping others. She dedicated more than 20 years of her life to working in senior care facilities taking care of the residents at a time when they needed her the most.

Her family and friends will miss her terribly.

Pat is resting comfortably now and leaves to mourn, her husband of 42 years, Ron Gray, who loved her dearly and worshipped the ground she walked upon and also her loving dog, Brandy.

Her siblings Marjorie (Kevin – Deceased) of British Columbia, Myra (Andy) of Newfoundland, Bernadette (Mervin – Deceased), Marcia (Ray), Patrick (Cathy), and Sheila (Lester) all of Nova Scotia. Her nieces and nephews, whom she loved as if they were her own.

The Gray family of New Brunswick.

Pat was predeceased by her parents Patrick and Cecilia Peters and nephew

Sean Green.

While Pat had many friends, too many to mention, we would really like to express our sincere appreciation to Heather Boutilier, for always being there for Pat.

Thanks to all of those who called Pat during her stay in the hospital, she really appreciated these calls. We all know pat loved to talk to her friends on the phone (some on a daily basis), and we can now only hope that there is a phone in heaven that she can use.

The family would like to thank Dr. Hall, Dr. Snow, and their staff, The doctors and staff of the Dartmouth General, the doctors and nurses of the Victoria General Hospitals palliative care unit and unit 9A.

Pat would like to say a special thank you to her co-workers at the Oceanview Manor who made her time there a fun and memorable experience.

In addition, Pat would like to thank her sister Bernie for teaching her to tie her shoe laces when they were young and when they had to wear those ugly brown shoes.

Following Pat's wishes, there will be no service. Cremation has taken place and internment will be in Corner Book, Newfoundland at a later date.

No flowers by request, donations may be made to charity of one's choice.

My heart is broken to find out Pat is no longer with us. Pat and I met many years ago when she was in Ontario and was a good friend over the years. Pat liked to talk and one thing about it after talking with her, at the very least you were smiling and at best you were still laughing after the conversation ended. It would have been nice to have had the chance to talk to her one last time. You will be missed my friend

“ My deepest condolences to Ron and all of Pat's family and friends. I worked with Pat at OVM. She was an excellent caregiver who cared immensely about all the residents she looked after. She was a very good friend. I will always cherish the good times and all the laughter that we shared. Shopping will never be the same without you Pat. And I'm going to miss all of our chats over coffee.
