“ Our very deepest sympathy to the family Stephen, Jane and Ann Marie, Ann was the very best Aunt ever. She had a sense of humor and her laughter was infectious. I was very lucky to have had a visit with her a few months prior to her passing, although she was very frail, she put on a brave face and still had her sense of humor. She will be dearly missed and hope she is at peace and with her family who have already passed making them laugh. Much love and prayers to the family Theresa and Terry Pelrine xoxo

“ So very sorry to hear of Aunt Anne's passing. Aunt Anne was a loving woman with a heart of gold, who would do anything for you to make you feel welcomed. We had many laughs when she would visit us in Halifax. My Mom Clarisse, her Sister and her were very close and Mom was living with my husband and she would come visit. We have such great memories of those times and also our visits to Musquodoboit Harbour. She loved to laugh. Although she had many hard times during her life, she always pushed through with grace. I hope she and Mom are having a great time in heaven; catching up and having lots of laughs. We will miss her dearly on this side. Till we meet again. Lots of Love, Shelly, Brett and Boys
